---

(1) Ordinary work of the Department

The number of the Town and Minor Municipalities in the District remained the same as in the previous year viz., 7 and 6 respectively. Recommendation had been made for the conversion of Hoskote into a Town Municipality since it satisfied both the conditions prescribed under Section 7 of the Town Municipalities Act of 1933. This has been sanctioned in G O Nos. 1184-1186-33 dated 11-8-43 to take effect from 1-1-1944. The total number of Municipal Councillors both elected and nominated was 219 at the end of 42-43 as against 216 at the end of 41-42. The areas of all the Municipalities remained the same as in the previous year.

Elections

Vacancies of elected Councillors arose in the Municipalities of Kankanhally, Anekal and Magadi and that of a nominated Councillor in the Municipality of Dodballapur during the year. The vacancies in respect of Kankanhally and Dodballapur were filled up by election and nomination respectively, while necessary action had been taken to hold the election in case of the vacancy at Magadi which arose on 20-6-43. The vacancy at Channapatna Municipal Council was also filled up by nomination. The vacancies at Anekal Town Municipality were not filled up since the Council resolved to keep the places vacant in view of the reconstitution of the Council from 1-1-44.

Bye-elections of the Vice-Presidents took place at Closepet, Kankanhally, Dodballapur and Magadi Town Municipalities. The election of Vice President at Channapatna Town Municipal Council which was restored from 1-7-42 took place during the year under report.

The incidence of taxation for the District was 1-4-9 as against 1-4-5 per head during the year 41-42 (exclusive of Vadigenhally Municipality figures).

Revision of Assessment

The Special Assessing Officer appointed by Government in their Order No. 29635-36 Misc-41-29 dated 10-11-42 continued to attend to the revision work in the Municipalities of this District. The work was completed in the Municipal Towns of Hoskote, Closepet and Kankanhally and it is in progress in Devanahalli Municipality. The percentage of rise in the income in respect of these Municipalities consequent on the revision is noted in the margin. Action is being taken to give effect to the revision from the year 43-44.

Out of this, a sum of Rs 1,37,378 was collected and a sum of Rs 512 was remitted during the year under report as against

against Rs 1,29,998 and 1,77/- respectively during the year 1941-42. The balance as on 30-6-43 was Rs 83,425/- as against Rs 80,019/- on 1-7-42. The percentage of collection for the District during the year was 62 as against 61 7 during the previous year

It will be seen therefrom that a sum of Rs 65,3-7 was at the credit of the municipalities in the District on 1-7-42. The total receipts and expenditure during the year 42-43 were Rs 2,07,901-6-9 and Rs 1,91,399-2-6 (excluding Vadigenhally Municipality) respectively as against Rs 1,87,658-12-2 and Rs 1,81,748-12-3 during 41-42.
